**We are not in ministry  
to serve ourselves,  
but to serve God.**

YOU are in the recruiting &  
evangelism business.

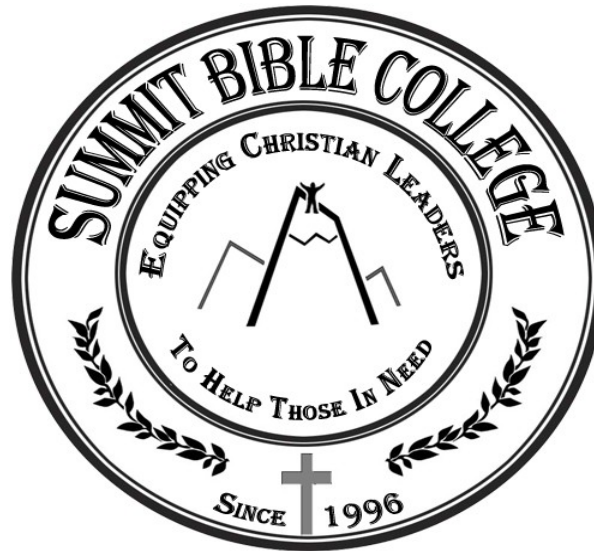

Your job is to recruit people to  
the vision God has given you.

**The main principle is this:  
“you recruit ‘em all and let  
God sort ‘em out.”**

If you want to serve God in the  
best possible capacity, you need to  
team up with us! Join our program  
to receive all of the information so  
you can get Activated and Do IT!

Dr. Jeff Victor - President & Founder,  
**Summit Bible College**

I really thank God and Dr. Victor  
for the support of Summit Bible  
College. It has not only brought  
us to a greater level of discipline  
but also brought more credibility  
to our own Bible College. Thank  
you!
