Non-discriminatory Policy

Summit Bible College accepts students of any race, color, age, sex, national or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to the students at the college. It does not discriminate against any of the groups mentioned above in its administration of educational or admissions policies, scholarship and loan programs, or any other school functions.

From Our Founder

Dear Brothers and Sisters in Christ,

I know if you are reading this catalog, you have already either seen or heard about the differences in Summit Bible College. Yes, we are different! Unlike most colleges, Summit was founded on the precepts that quality Christian college education must be affordable, must be attainable, and must be accomplished through a “fast track” method. Why did I establish Summit Bible College on these factors?

To begin with, we designed a quality curriculum based on the ministries of Christianity’s best leaders. It is comprehensive using proven leaders and not just denominational books: leaders who have applied the Word of God and who are a success in developing God’s people. It is applicable to today’s challenges in ministry.

I’m proud of the fact that we use textbooks that are authored in the image of Christ; writers such as: Dr. Norm Wright on Crisis Counseling, George Barna on Leadership, Bruce Milne on Systematic Theology, Mike Evans on Healing and Wholeness, Bill Hamon on the gifts of the spirit, Neil T. Anderson on deliverance, Josh McDowell on youth counseling, Norman Geisler on Apologetics, and many, many more. It is truly the most exciting curriculum of any college in the world!

Secondly, Summit is attainable! It is affordable, and a degree can be accomplished within a reasonable period of time. Why is this important? Christian theological education must address what Jesus told us would happen in prophecy and what He commanded us to do regarding those specific prophecies. Jesus said, “And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.” (Mt. 24.14) It is our job to equip and prepare you for ministry, the ‘end time’ harvest is near!

Summit Bible College is relevant to today’s issues. It is practical equipping for current problems. Issues, such as widespread social maladjustment, euthanasia, genetic engineering, and epidemic abortion, were not even imagined 40 years ago. They are realities today! Our training gives you knowledge, which gives you the confidence to experience and commit to service to our Lord Jesus—whether full or part-time.

Remember our Lord’s call, “Say not ye, There are yet four months, and *then* cometh harvest? Behold, I say unto you, lift up your eyes, and look on the fields; for they are white already to harvest.” John 4:35 Now is the time to prepare, so that you can reap the harvest for our Lord!

My thoughts go back to our first graduate student, Brad Sullivan, who graduated back in 1997. He is a full-time minister, today, honoring the Lord, successful and approved of God. He prepared for ministry, and he succeeded! This is still happening today, over 16 years later. Our people are working and serving the Lord. It’s no wonder that our degrees have been overwhelmingly accepted, by churches, ministries and secular organizations worldwide.

My beloved brothers and sisters, don’t delay. Don’t let the enemy distract you from your calling! Contact us today, and get started with what the Lord has called you to do!

Dr. Jeff Victor, President

(Dr. Jeff Victor was born again in 1979. He is the founder and president of Summit Bible College. Dr. Victor and his wife Joyce have been married for over 48 years and have 8 adult children.)

Statement of Faith

We believe:

- † The Bible to be the inspired, the only infallible, authoritative Word of God.
- † That there is one God, eternally existent in three persons: Father, Son and Holy Spirit.
- † In the deity of our Lord Jesus Christ, in His virgin birth, His sinless life, His miracles, His vicarious and atoning death through His shed blood, His bodily resurrection, His ascension to the right hand of the Father and His personal return in power and glory.
- † That regeneration by the Holy Spirit is absolutely essential for the salvation of lost and sinful men.
- † In the present ministry of the Holy Spirit through whose indwelling the Christian is enabled to live a godly life.
- † In the resurrection of both the saved and the lost - of those who are saved, unto the resurrection of life, and of those who are lost, unto the resurrection of damnation.
- † In the spiritual unity of believers in our Lord Jesus Christ.
- † In the operation of the gifts of the Spirit, including wisdom, the word of knowledge, faith, healing, the working of miracles, prophecy, discerning of spirits, tongues and the interpretation of tongues. But all these work that one and the selfsame Spirit, dividing to every man severally as He will. I Cor. 12:7-11

Doctrinal Position

We allow for disagreement on the non-essentials in the Word of God, however, we adhere to the fundamentals as outlined above. We believe God cares about the lifestyle of the believer! *“In the essentials unity; in the non-essentials diversity, and in all things charity.”*

SBC Pledge and Rules of Conduct

Although we know that no one is perfect (except Jesus) and that we are all creatures of a fallen state in our flesh, we expect a good report on the behavioral conduct of our students. Due to the fact that we are a Christian college we ask that our students set an example that is consistent with our Lord’s desire as it is outlined in Scripture. The following pledge is a requirement to those seeking participation in SBC. **(Note: The student’s signature on the college application secures agreement with this pledge.)**

I pledge, to the best of my ability in Christ:

To uphold the ideals of Christ, as an example, this includes a godly lifestyle.

1 Cor. 9:14 Even so hath the Lord ordained that they which preach the gospel should live of the gospel.

To remain steadfast in prayer.

Phil 4:6 Be anxious for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God.

To participate in a consistent work ethic in the Word of God.

1 Cor. 15:58 Therefore, my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord.

To show a willingness to fellowship with other committed Christians.

Heb. 10:24-25 And let us consider one another to provoke unto love and to good works: Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more as ye see the day approaching.

To try to keep the teachings of Jesus in all that I do, with a meekness of spirit.

Matt. 11:29 Take my yoke upon you and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls.

To have a willingness to help those who are striving to know Him and His Word.

Matt. 25:40 Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.

To have true desire to prepare myself so that I can truly benefit from my classes.

2 Tim. 2:15 Study to show thyself approved unto God, a workman that needs not to be ashamed, rightly dividing the word of truth.

Mission Statement: “Equipping Christian leaders to help those in need.”

Our mission is to give a Bible-based, quality education to the Body of Christ at an affordable rate, preparing people for their God-inspired ministry to spread the Gospel of Jesus Christ. Our bylaws are set up so that we will be here until the Lord returns, so, you will be able to take our classes no matter where you reside in this world.

We are preparing today’s ministers in areas such as Crisis Counseling, Faith Based Organizations, Missions in the 21st Century, Church Administration, Systematic Theology, and the Call and the Anointing of God.

Affiliations

Summit Bible College is an IRS 501(c)(3) non-profit religious organization. As such, the state of California allows us the right to issue degrees in Theology.

Christian Accreditation: We are a member in good standing with the Academic Council for Educational Accountability (see their website at: www.acea-schools.org/).

We have had our degrees approved by several denominations and churches. Check on your ministry needs for accreditation. We are standing on the following Scripture: ***“So shall My Word be that goes forth out of My mouth: it shall not return unto Me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.” Isaiah 55:11***

Acceptance of SBC credits by other institutions is dependent upon several factors including and not limited to: the requirements of the accepting institution, the qualifications of the student requesting entrance, the coursework completed. Most Christian colleges accept SBC credits; however, each student is regarded on a ‘case by case’ basis. State and federally accredited colleges on occasion have accepted SBC degrees but the student needs to understand that special government licensing or approval can only be achieved by schools or colleges approved by the government. SBC degrees and licensing has been accepted by most ministries and churches.

College Objectives

- ❖ To promote the opportunity for students to gain knowledge through the Word of God.
- ❖ To help the students effectively apply the Word of God to their lives, their ministry and the community at large by teaching and modeling practical means of doing so.
- ❖ To provide experiences that give students a substantial degree of expertise in preparing for their chosen area of ministry.
- ❖ To maintain a close liaison with churches and other ministries to determine the need for development of new instructional programs.
- ❖ To provide a practical method of exploring and applying the gifts of the Holy Spirit.
- ❖ To help our students obtain license and ordination to minister for Christ and become registered with support organizations.

Why we believe we are approved of God

Our curriculum is based on the Bible and the biblical teachings of the godly authors previously listed. We use approved conservative texts that can be found in Evangelical Christian bookstores. Each student must research the Bible for each course and is accountable to defend the truth of their answers as they line up with the Word of God. We stand on the authority of the Word of God and we expect our students to be able to stand on that authority, also.

Our commitment to our students is that:

- We pray for every student, faculty member, and SBC worker.
- We will use the Bible and its tenets to determine the moniker “Christian corporation”.
- All our employees, students, and directors are born again believers in Jesus Christ and believe in the Bible.
- Our bylaws insure that we will operate under biblical mandates.
- We are committed to honoring God’s desires to equip our students thoroughly for any ministry of Jesus Christ.
- Most importantly, we are relying on the confirmation of the Holy Spirit, through the Word of God, as our witness. We believe that God honors His Word as we give the Word to others.

Student Record Keeping Policy

Student records have been maintained since the school's founding in 1996. In spring 2009, student transcripts became available for student viewing over the internet. Electronic records will be maintained indefinitely, however, paper copies may be limited to a 4-year period following graduation.

Summit Bible College Admissions and Policies

Entrance Requirements and General Information

For admittance: (The following are necessary items for acceptance to the college.)

1. All students must have a High School Diploma or GED degree.
2. Fill out The SBC Application form completely which includes a short testimony on how you received Christ as your Savior.
3. Have a letter of recommendation from a Pastor or Ministry leader sent to us recommending you as a student.
4. If you have ministry experience or transcripts from another college, they need to be submitted to the college.
5. Pay \$300 SBC registration fee (non-refundable).
6. Receive an official "Letter of Acceptance" as a confirmed student from the SBC registrar.
7. A down payment for tuition or a payment in full.
8. If you are on a payment plan, an ACH (Recurring Payment Authorization form) must be filled out and turned in by person, mail, or email.

(Note: All prospective students must formally be accepted to the college through written notice. Students or prospective enrollees who are currently leading a life of open or gross sin against God as outlined in 1 Corinthians 6:9 or who belong to a cult or occult group, a hate group or a non-biblical organization, or of an attitude that is a mean spirit, uncooperative, or unwilling to counsel may not be admitted to SBC or dismissed without credit, or refund. A false statement on the application is also grounds for dismissal, without credit, or refund.)

2. Scholarships, Grants and Financial Aid

We offer scholarships for: 1. Employees of Summit Bible College who are actively employed, 2. Our Spouse Free Tuition program. 3. Special Discounts, and 4. Churches

It is up to the student to raise funds from private sources. We suggest that students find a sponsor at their local church, and we will call your Pastor if you need help. There is a reference page for scholarship source information later in this catalog under "Tuition and Fees".

Summit Bible College does have Financial Aid for qualified applicants. Availability is determined based on meeting the requirements of the program. Ask your advisor or other staff members for Financial Aid application and complete the forms and submit them to the college for evaluation and approval.

3. Location

SBC's Home Office is located at 3000 James Road, Bakersfield, California, 93308. We also have online classes and extension campuses at other locations throughout the U.S. SBC also has many students throughout the world that watch classes live via the internet or by videos while completing the bookwork and assignments by distance. Independent Study is also available.

4. Student Life

Most students vary in experience, nationality, age, race and gender. They range from active ministers of congregations to those who are newly "born again". Many are involved in "help" ministries such as church outreaches, youth ministries, evangelistic endeavors, or counseling centers. See the Testimonials page on our website for examples of some of our students.

5. Extension Campuses

Extension campuses are available in communities outside Kern County, California. There is an information packet on Extension Campuses that can be requested separately from this catalog.

6. Distance Learning Division

The Internet division of the College is operated as part of the SBC local campus. All college policies apply. The Distance Education branch of our ministry has the same payment plan but may have a different day and time schedule for the classes. All students can be active participants of in-house classes or online classes through the internet. Students choose how they will do their work whether in their home or by video classes or live online.

Each course usually has one book per course by one of the authors listed on the course description page. The student studies and completes online tests that are comprised of multiple-choice questions, turns in lecture notes to the professor, and each course has a required final activity or paper. Course load depends on the student's time and ability to complete courses within a 9-week quarter. It is highly recommended that students only take 1 or 2 courses in the first quarter to make sure work can be completed effectively.

In other words, if the student shows academic proficiency with this workload, they may be permitted to take additional courses per quarter.

Students, normally, take 2 courses at a time. Classes begin in a specific quarter and should be completed within the same quarter in which they were originally taken; however, there is no time limit on any degree program or class. If classes have been started in one quarter and graded late in a following quarter there is a late charge of \$50 per course and there could be a grade point penalty. Students who begin late in the middle of a quarter can take catch up to the other students without penalty for grading. A payment made on a tuition plan must be completed in the specified time of the payment or an additional penalty of \$20 will be due with each late payment. (*See the tuition page; refer to the Miscellaneous fees section.*)

Each local and distance course takes between 30-60 hours per quarter, depending on the student's ability, experience and the degree of difficulty of the class. The college does not issue a degree before a minimum of 6 months attendance and earning 50% of the credits for the degree at Summit Bible College, except for special pre-approval cases from the Dean of the College.

7. Course Information: Credit and Class Scheduling

Campus classes are given on an 8-week class attendance set up on a quarterly basis, with one additional week for completion of finals. Extension and Distance Education students are given the eight-week quarter plus a one-week grace period to complete their finals. All two and three-day seminars must be completed by the end of the following 9 weeks. Only two seminar courses may be taken at one time and completed by the end of a 9 week period.

Each lower division class is worth 3 units. Upper Division classes are worth 4 units, Master's courses are worth 5 units each, and Doctorate courses are 6 units each. The Master's Test-Out is given 10 units upon completion and the Doctorate Test-Out is given 12 units. The Test-Out is subject to a non-refundable fee (See tuition page).

Our Distance Education programs for each level are issued as a tuition package. The total package prices vary depending on the level you are seeking to attain. We recognize life experience in ministry and transfer credits from recognized colleges or ministries. (*Please see our price list for details and fees: Tuition page.*)

Our program of study covers these areas of ministry: Leadership, Counseling, Missions/Evangelism, Worship Leadership, Coaching, Business, Christian Education, Chaplaincy, and Christian Studies. The student decides which emphasis they would like. If there is a change in a major or minor emphasis additional courses may be required. Upon the award of a degree, the student's degree is labeled as example: "Bachelor of Theology in Counseling", and so forth.

To qualify for an Upper degree status, there must be an Associates of Biblical Studies degree or the equivalent in credits of lower division classes, applicable work or ministry experience. We credit most classes from other colleges whether they are Christian or not, and ministry experience (see below). For example, a student desiring to qualify for a Master Degree program designation must have a Bachelor degree from a recognized college, or Ministry institution, or equivalent work, life, or ministry experience. The college does issue Honorary Doctorates for recognized exemplary achievement in Christian leadership; however, there is a commitment to become a full paying member of our Minister's fellowship for at least 5 years.

8. Attendance Policy

For Distance Education students, no local class attendance is required for any of the course offerings. For local or distance students, all will be considered a "class attending" student. Since the quarters are only 8 weeks of attendance, these "class attending students" will be dropped if they miss more than 2 class meetings but may attend online or view recorded presentations of the class. If there is no make-up attendance and work from recorded sessions, the student will be dropped from the roll even if the absences were for good reasons. This does not mean that the student is dismissed from passing the class or dropped from the college. It is possible for the student to request an extension from the Dean of Students. At the time the student is dropped, he or she has the right to switch from a "class attending student" status to an online student. They may finish the work by the end of the quarter for full credit by completing the homework and final required for non-attending Distance Education students. (Note: Once the "class attending" student has become an online student they cannot return to the classroom during that quarter. If the student who was "dropped" wants to take the class again as a "class attending" student, they can, in the next quarter when the course or courses are offered again.) Students attending by distance must complete work in the predetermined times. *There is no dismissal from any program or class except for violations of the law or moral reasons that violate Biblical principles outlined in the entrance requirements on the application.* If there is a violation and it becomes common knowledge, the student may be asked to leave the college. The student will have the right to arbitration before the school administration to explain the allegations, and there will be a determination on the status of the student by vote.

9. Leave of Absence—Reenrollment Policy

Leave of absence can be taken at any time if requested in writing by email. The length of the leave from class work is up to the student. However, students are required to complete payment plans even if they have not completed their studies. Payment plans are due and payable by the end of each month. For extenuating circumstances, the college may grant that the student can also take a leave from paying, too, but this is the option of the college and is not guaranteed. Re-enrollment may be made by the student by

writing a letter requesting re-admittance two weeks before the quarter and paying a restart administration fee of \$300 which counts towards tuition, but is non-refundable.

10. Concurrent Degree Programs

The concurrent program is for those who have accumulated numerous credits, life experience, and/or ministry hours, and would like to have them converted to credits. The student must document ministry experience and have a ministry leader sign their experience sheet. It is possible that the student may qualify for any of the following combination programs: Associate/Bachelor Bachelor/Master, or Master/Doctoral. In these cases, under the SBC 50% rule, the student would pay the required tuition and take courses for both degrees and upon completion of the program, the two degrees will be awarded simultaneously. It is possible that students may have to complete some of the courses of the lower degree if there are insufficient ministry hours or hours that do not cover prerequisite courses.

Concurrent course load requirements are as follows:

Number of courses needed for a Concurrent Associate/Bachelor Program: 20

Number of courses needed for a Concurrent Bachelor/Master's Program: 15

Number of courses needed for a Concurrent Master/Doctoral Program: 13

11. Grading

Coursework will be graded after each quarter is completed. Even though graded work may be returned to the student sooner than the quarter break, if a professor chooses. Students are required to login to the Grader Transcript program to see their grades. If a student is inactive or considered delinquent, on their payments, their right to attain their grades may be halted until they are in good standing with the college.

The college requires that every undergraduate student maintains a 2.0 grade average and the graduate student must maintain a 3.0 average. If the student drops below this average, he or she may be put on probation and given a quarter to bring the average up. If the student remains on probation for two consecutive quarters, they can be dropped from the program without refund.

Final Grading percentages for class work submitted are as follows:

100-94	A	4.0
93-90	A-	3.9
89-87	B+	3.8
86-84	B	3.5
83-80	B-	3.0
79-77	C+	2.9
76-74	C	2.5
73-71	C-	2.0
69-67	D+	1.9
67-64	D	1.5
63-60	D-	1
59-0	No Grade	

12. Awards and Degrees

Each level of degree has a corresponding award. The Associates of Biblical Studies (60 credits), the Bachelor of Theology (60 credits), the Master of Theology or Divinity (60 credits) and the Doctor of Theology or Divinity (60 credits) all have degrees issued matching their title. Concurrent Associate/Bachelor 75 credits; Bachelor/Master 80 credits; Master/Doctor 85 Credits or the equivalent, depending on ministry credit hours.

13. Other College Transfer and Life Credits

We credit classes from other established colleges whether they are Christian or not. We are able to credit courses from other accredited colleges, up to 50% of the requirement per each degree. Such classes may include either theological classes, or secular non-theology courses such as English, Business, Business Math, Accounting, Psychology, Speech, and the like. **Sealed, official transcripts must be mailed from previous institutions of higher learning.** There is a fee for this transfer of credits (see Fees section.) Students are also allowed to “challenge” courses if they write a letter asking for such consideration. Ministry experience and challenging programs are added together and are only good up to 50% credit or towards a concurrent degree (see concurrent programs). There may be a fee for “challenging” courses depending on your placement and credits.

The college credits classes for life or ministry experience in the form of practicums. Ministry Credits do not reduce the price of the total program. For students with extensive ministry experience or service, training, attendance at special seminars and other ministry commitments with extensive hours, may be granted special permission to challenge courses at our seminars or be allowed to achieve concurrent status to earn more than one degree simultaneously.

14. Submitting Work

SBC is not responsible for lost or misplaced work by professors or employees. It is up to the student to save all of their work in a physical hard copy, or send their work by email to themselves as a conserving method. Every student must have the ability to email their completed assignments in by “attachment”. The student must also have the ability to accept email attachments.

15. Dean’s List

Students earning a grade point average of 3.5 or higher are recognized as being on the “Dean’s List”. Students having an Incomplete in any courses or having debts owed to SBC are not eligible for this honor until the debts are cleared and any Incomplete work is made up.

16. Local Student Attendance

The following is for Campus students only: 1. Absences and Tardiness: Being tardy later than 5 minutes for 3 times to any class counts as 1 absence. If there are 3 absences the student may be dropped. Students are allowed to make up any class or work via the internet during the quarter. Any student with unsatisfactory attendance must make up the work online. Students may be allowed to retake the course by independent study but they must notify their advisor.

17. SBC Discipline Policies and Procedures for Disruptive Students

Involvement in the following activities could result in disciplinary action - suspension, dismissal or possible legal action:

- Engagement in any unlawful activity--This involves theft, destruction of property, stealing, physical or verbal assault, use of drugs or abuse of alcohol, or the violation of any other public law.
- Dishonesty--This includes lying to a student or employee of SBC, cheating (unauthorized use of any notes or having another person prepare assignments without direct approval from SBC), or plagiarism (use of another’s thoughts or ideas without providing acknowledgement thereof).
- Sexual Misconduct--SBC believes in the biblical standards of sexual union to be reserved for heterosexual marriage. Any type of engagement in non-biblical sexual behavior within these standards is considered sexual misconduct.
- Non-Biblical conduct will not be tolerated. Any rude or inappropriate behavior including, but not limited to, disrespect, gossip, lying, hate speech, name calling, insulting, yelling, physical attacks, cursing, or worse, will not be tolerated and constitute reasons for being removed from the college. Any class attendance will be considered null and void regarding credits, and tuitions paid and used for attendance will not be refunded.

Procedures for Disciplinary Problems:

1. First Violation - A written warning. The violation will be written as a, brief overview in simple language in an official SBC letter with the SBC letterhead.
 - a. Student will be contacted by the appropriate administrator or president of the college.
 - b. The student violator will be warned or removed depending on the severity of the violation and their acknowledgement of the wrong doing.
 - c. The student will sign ‘acknowledgement’ of receiving the Disciplinary Form and have a space for comments. (This is not an admission of guilt signature. It is merely a recognition that they have been warned.)
2. Second Violation – The Student is written up, again, and will be put on academic probation for up to 1 year depending on the type of violation and its severity. Students must sign as acknowledgement of receipt of the violation form.
3. Third Violation –The Student will be dismissed from the college. Tuition is non-refundable and no credit for classes will be given.

(Note: Although each violation will be considered in lieu of the others, it is possible that a student could be dismissed even if the violations are unrelated.)

Grievance Procedure for Students

All grievances are handled according to Scripture.

Our method of dealing with conflicts is:

1. Attempt reconciliation by discussing it with the concerned party or parties (contact the Dean of students). Matt. 18:15
2. If your brother or sister does not listen (If the Dean is in disagreement), go to him taking a committed Christian as a witness and explain your side. If it is not possible (because of distance) to go personally, write a letter to the parties involved, then send it to them. Matt. 18:16
3. If you are still not satisfied, write a formal complaint, having a pastor or ministry leader sign and verify it, then turn it into the Board of Directors of SBC. Wait for a judgment and allow at least two weeks. Matt. 18:17
4. Once a decision is made, pray about your alternatives, whether favorable or not, seek peace and guidance in the Word of God and get council. Phil. 2:1-4
5. Act on what the Lord is saying through the confirmations of the above steps. Luke 17:3, Rev. 3:19

Course Descriptions

Associate Level Classes (3 units each)

Winter Quarter

105 Knowing God's Voice - This course explains how God speaks to us and through us, today, in prophecy: the gift we are told to pray for above all things: how prophecy works in hearing God's voice & the responsibility and balance.

109 Spiritual Warfare - This is a basic, practical course teaching on how to aggressively fight the enemy: Satan. It covers beginning elements of deliverance, confrontation and tactics from the Word of God that will defeat the enemy.

113 Healing and Wholeness – This class is an exploration of the methods of praying for physical, emotional, and spiritual healing. It is a foundational class that introduces students to spiritual warfare, how to pray for others, and how to help facilitate spiritual and emotional healing by being sensitive to the guidance of the Holy Spirit.

133 Authority of the Believer – You will investigate and discover the biblical foundations that a Believer has been given of the divine authority that enables them to minister to the needs of their fellow man. This class will introduce and encourage the believer to understand their access to this God given authority.

204 Call of God and the Anointing – A Christian can't understand his or her calling without knowing their passion and destiny. This class helps the believer know their calling of God, and receive their purpose in His plan.

Spring Quarter

201 Biblical Ethics - This class presents the biblical view in today's culture and the ethical choices facing our nation. Abortion, homosexuality, pollution, obscenity, divorce and more are covered. This class helps you to prepare to help others in very specific ways in these 'postmodern' times.

202 Leadership and Personal Discipleship - This class provides a foundational understanding of what it means to be a leader and disciple. It teaches students how to lead by example, become a servant leader, how to be a disciple, and how to disciple others into the faith through a life of commitment to Christian ideals and self-sacrifice.

205 Israel and the End Times Pt. 1 - The main emphasis of this course is the study of prophecy in relation to the sequence of events. This course will help the student to identify the convergence of events that are happening in today's world such as the predicted birth pangs that will lead to the 7-year Tribulation and give the student the ability to discern the signs of the times.

208 Lifestyle of Worship - This course explores how to cultivate a lifestyle of worship. It is a foundational class that reviews the essence of praise and worship, explores methods of worship, and shows how worship can be used in spiritual warfare, healing, and the prophetic.

209 The Five-Fold Ministry – The five-fold calling of the Apostle, Prophet, Teacher, Evangelist, and Pastor are essential because they enable the Holy Spirit to operate effectively in the church. This class provides an overview of the five-fold calling and teaches students the role of the calling in the church and how each one operates.

Summer Quarter

110 Gifts of the Holy Spirit - This course covers the gifts of the Spirit and the callings of the believer. It helps Christians understand their personal gifts and defines how, through the gifts of the Spirit, the Body of Christ works together. There is a placement test that will identify particular inclinations for each person.

112 Introduction to Apologetics – This course is an essential class for every minister. It helps to give a reason for the calling within you; it helps to win others to Christ because it gives answers for all types of reasons why one should believe.

115 Personal Deliverance - Many good-intentioned, God-loving Christians, church leaders, and pastors overlook the message that stopping Satan is not just a self-disciplined, mental approach. This course provides a groundbreaking, scripture-supported teaching on what the Bible says about Satan, step-by-step instructions on how to cast out demons, and how to establish and operate deliverance ministry in your local church.

203 Personal Revival - This class helps the Christian understand and incorporate the victorious Christian life. It describes the nature of godliness, and the worth of the Believer in God's eyes, and the call to leadership.

206 Prayer and Fasting - This is a comprehensive overview of prayer and describes the effects prayer has on individuals, the church and the world. It covers faith, commitment and praying in tongues. It is also an overview of fasting - understanding how to fast, "God's Chosen Fast" and calling the body into obedience.

210 Kingdom of the Cults - This intensive, in-depth course covers the beliefs and history of mainstream cults and religions and is designed to help believers identify false theology from Biblical truth. It provides a theological foundation in vital areas such as the nature of God, the persons of the Trinity, the life and resurrection of Jesus, salvation by faith, judgment, heaven and hell, and more.

Fall Quarter

104 Strategies for Spiritual Harvest – This is an evangelism class: the harvest is for souls. This class focuses on your witness to God and to your community. It teaches how to build relationships and reap souls for Jesus.

207 Soteriology – This course is about the theology of salvation. It takes an objective stand on basic systematic theology as well as definitions for repentance, faith, regeneration, justification, adoption, assurance, grace, and union with Christ.

211 The Fire of God in You – This class helps the Christian understand and incorporate the victorious Christian life. It describes the nature of godliness, and the worth of the Believer in God's eyes, and the call to leadership.

214 Church History I – This class provides key context for the condition of the modern Church by exploring the history of the early church up to the Middle Ages prior to the Reformation. It explores how the Church developed, the early leaders of the Church, the Christian Roman Empire, and the rise of Catholic Christianity.

Bachelor Level Classes (4 units each) (Core courses are required-see advisor)

Winter Quarter

309 Christianity and the Islamic Worldview (Core) – The crisis between Christianity and Islam will not go away. The root of the bitterness is social, political, historical and spiritual. Learn where the traditions of past generations lead.

400 Communicating the Word of God (Core) - This class trains the future preacher or teacher to diligently prepare sermons or lectures. Methodology, study practices, organization and outlining are covered.

Course Descriptions:

307 Christian Counseling -This overview course covers discipleship counseling and the basics of counseling for deliverance from satanic oppression, depression and past hurts. It trains in methods, dialogue and techniques.

308 Christian Psychology - Psychology is the study of the mind. This class reviews psychology's pitfalls and gives credence to the concept that psychology can only be correctly understood under the light of God's Word and Christian principles.

212 Dependency on Christ—This course is a course on how to break bondages by bonding to positive influences from others, from scriptures that speak of the truth of who we are in Christ and from looking within to the delivering truth of God's Word.

311 Overcoming Chemical Dependencies—This class discusses the Christian heritage of the AA program and using the 12-step program with scripture from God's Word. It is in a workbook format, and counselors are expected to go through the program understanding the necessary path to recovery from the view of a person who has had problems with addictions.

404 Sex and Sexual Counseling – This course helps to describe normal and aberrant behaviors and the biblical basis for normal, healthy relationships in marriage.

411 Youth Counseling -This course teaches biblical youth counseling. It covers ministry to individuals, youth groups, counseling centers and high schools.

412 Marriage Counseling -This class reviews marriage on a biblical basis, instructing counselors on how to increase communication, interviewing couples, and practical methods of identifying problems and identification of successful attitudes. It covers marriage and ways to regenerate a marriage through the Word of God. It is in a workbook format with exercises for married couples.

413 Family Counseling Issues -This could be one of the most important Christian classes because of its relevance to what God expects for the family. It covers parent/child relationships and teaches how to raise a godly family.

415 Setting the Vision - This class will teach students going into ministry about how to grasp onto the vision that God has for each of them within their future. Students will also go over the determination of whether they are following the vision that God has for them or man's flawed vision.

499 Practicum in Major – The student must keep a journal over the ten-week quarter on their experiences working within a ministry in one of the following areas: Pastoral, Counseling, Missions or Worship.

501 Crisis Counseling - This course provides counselors, ministry leaders, and pastors with the tools they need to assist those experiencing a crisis. In addition, it covers the immediate aftermath of a crisis, how to help counselees recover from trauma, and teaches students how to help those experiencing grief, stress, and PTSD.

502 Biblical Counseling - This class distinguishes between biblical and secular counseling. The Word of God is quoted throughout the text cultivating three fundamental skills for the Christian counselor - allowing patients to tell their story, choose their goals and practice changes in their lives.

503 The Christian Counselor - This course covers the Christian Counselor and describes how he or she can network with other agencies for helps. It also includes forms for every aspect of private practice.

506 Marriage Counseling – This course is for those in the counseling field. It offers ways to navigate the many difficult areas of marriage as well as some severe areas including adultery and abuse. This class will help cultivate marriages that reflect the beauty of God.

601 Christian Ethics - This course offers formal counseling and technical guidelines in dealing with ethical issues, concerns and accountability. It reviews legal requirements and examples of proper practice.

602 Personal Discipleship – This counseling methodology class trains the Christian Counselor on how to help counselees overcome spiritual darkness by taking them through systematic steps in breaking bondages and strongholds that have come up because of spiritual attacks, generational curses, habitual sins, unforgiveness, fear, or other hindrances. The counselor will know how help counselees know the fullness of Christ.

603 Christian Counseling Care – This course covers counseling issues for the 21st century including process, ethics, emotional issues, addictions and impulse control, and grief and trauma matters such as job loss, PTSD, sexual abuse, and abortion.

Chaplaincy Program

Summit Bible College Chaplaincy program is in conjunction with International Chaplain Response, (ICR), on the web at www.chaplainresponse.org. This organization has been formed by Dr. Mike O'Bannon, and Dr. Debbie Ormonde who are graduates of Summit Bible College. It is a separate 501(c)(3) corporation, and with the help of SBC it provides licensing, training, and earning a degree in Chaplaincy. Students who want licensing as chaplains need to take classes for certification. The ICR plan is below. Any other students who want to take chaplaincy classes may take courses that would count for electives for their degrees or for enrichment.

Student Requirements:

New students will apply to the college and fill out a complete application packet. The application fee is \$100 and is not refundable, but this cost goes 100% towards the tuition of their respective program. Current students do not fill out an application nor do they pay an additional application fee. Students must take the required classes for a certificate, and licensing. If a student has experience in chaplaincy, counseling, or related ministry work they may qualify for higher placement. If they have no current Chaplaincy experience, they will also need to complete a practicum for one quarter (The number of hours will be dependent on evaluation by the Dean of the Department, Dr. Mike O'Bannon).

Course Requirements and Levels of Chaplaincy

Level I - Licensed Chaplain

This level of education and training is to accept Chaplains that have extensive experience and/or who formal training into the ICR family.

Course Requirements

1. Depending upon prior experience, each applicant must complete 4-8 Chaplaincy Core courses (4 units each) and/or 24 hours of certification or "CERT Training", including CPR and Critical Incident Stress Management (CISM), if needed.
2. End Program Requirement: Oral and/or Written Final Exam, Confirmation Interview, and Application including Background check for formal licensing as a Certified Chaplain. (Inability to qualify for licensing does not prevent a person from serving in the chaplain ministry.)

Costs of the Program

For certification above, plus licensing, the cost is between \$1,550-3,100 depending upon course requirements.

Licensing fees: Application and background check: \$50, Annual licensing fee: \$100

The cost and credits of the Chaplaincy program are applicable to any other Summit Bible College degree should the student desire to complete a degree. Prior college and chaplaincy experience can substitute up to 50% of required chaplaincy classes if applicable and approved by the college advisor (program fees remain the same). There is a \$500 discount for finishing within 18 months, start to finish. Students who do not complete a contiguous plan of paying and coursework, may be subject to higher or additional charges.

There are reductions of tuition through Financial Aid. For an application for Financial Aid, ask a SBC advisor, at info@summitbiblecollege.com or at 661-328-1151.

New SBC students pay a \$100 application fee (non-refundable) and begin with a \$400 down payment (Your \$100 app fee counts toward this down payment). There are several payment plans and a discount of 10% for paying in full.

Level II - Associate Chaplain

Costs are the same as the Associate Degrees at SBC. It includes a full program of 20 classes.

This level of education and training is to certify and license chaplains with little or no training or experience.

Applicants must demonstrate a willingness to serve and learn specific techniques and procedures in helping people in crisis and trauma, and in times of need. Applicants must have a 'coachable' attitude and a willingness to not only help others, but to grow in their knowledge and relationship to God, as well as their leaders in chaplaincy, and with the community.

Course Requirements

1. Completion of 8 Chaplaincy Core courses (4 Units each) and 24 hours of certification or “CERT Training”, including CPR and Critical Incident Stress Management (CISM)
2. End Program Requirement: Oral and/or Written Final Exam, Confirmation Interview, and Application including Background check for formal licensing as a Certified Chaplain. (Inability to qualify for licensing does not prevent a person from serving in the chaplain ministry.)

Costs of the Program

For Level II certification above plus licensing, the cost is \$4,125. (There are reductions for Financial Aid. For an application for Financial Aid, ask a SBC advisor, at info@summitbiblecollege.com or at 661-328-1151.)

New SBC students pay a \$100 application fee (non-refundable) and begin with a \$400 down payment (Your \$100 app fee counts toward this down payment). There are several payment plans and a discount of 10% for paying in full.

The cost and credits of the Chaplaincy program are applicable to any other Summit Bible College degree should the student desire to complete a degree. Prior college and chaplaincy experience can substitute up to 50% of required chaplaincy classes if applicable and approved by the college advisor (program fees remain the same). There is a \$500 discount for finishing within 18 months, start to finish. Students who do not complete a contiguous plan of paying and coursework, may be subject to higher or additional charges.

Level III – Commissioned Chaplain

Requirements for this program are either a Master or Doctoral degree. If a student desires to enter full time Health Care occupation as a Chaplain, they will need a minimum of 4 units (400 hours) from a qualified Clinical Pastoral Education (CPE) program. San Joaquin Hospital in Bakersfield is our service provider for CPE’s, however, we accept units from other qualified providers. If the student desires certification for a full-time position as a Prison Chaplain they would need 2 units of CPE’s.

Master degree costs are the same as all other SBC Master degrees plus applicable licensing fees mentioned above. Any prior courses or experience in chaplaincy may be counted, up to 50% of the program (program fees remain the same). Approval from SBC is required for crediting of past experience or classes.

Course Requirements

1. Completion of 8 Chaplaincy Core courses (4 Units each) and 24 hours of certification or “CERT Training”, including CPR and Critical Incident Stress Management (CISM)
2. End Program Requirement: Oral and/or Written Final Exam, Confirmation Interview, and Application including Background check for formal licensing as a Certified Chaplain. (Inability to qualify for licensing does not prevent a person from serving in the chaplain ministry.)

***Students who have past Chaplaincy experience may be able to receive credit up to 50% of the Chaplaincy load by permission from the Summit Bible College Chaplaincy, however, this does not discount the total fees for the Chaplaincy certification or for any applicable degrees, they are still due to complete the program.**

Su 619 Ethics and Economics
Wt 615 Setting the Vision

Electives

Su 341 Biblical Approach to Sales
Fa 516 Team Development
Sp 518 Church Admin and Finances
Sp 524 Wealth Management

Course # Course Descriptions

341 Biblical Approach to Sales – This elective class is a ‘to the point’ class. It lets you know that selling is a learned skill and that professional salespeople are the ones who understand that selling is not about being a certain type personality, it is about being the go-to person, the problem solver, and the solution finder in the lives of those who need their product or service. You will learn presentation skills and more.

514 Christian Business Leadership - This class shows Christians how to knock down a perceived wall between commercial pursuit and service to God and participate in an unparalleled marketplace transformation.

516 Team Development – This course helps you build and work with others. See course catalog

518 Church Admin and Finances – This class teaches how to use the resources for a church or ministry, whether it is for the personnel, facilities, or finances. It is a great course for administration, goals, bylaws, and supervision.

524 Wealth Management – This class shows you all you need for personal money management, budgeting, and making your income go a long way. It also shows the basics of financial planning and savings.

615 Setting the Vision – This is a required course of the college that open up the ‘big vision’ and helps you to write and articulate it so that others will want to join in and support you.

616 Managing a Corporation – This is a great class on business and nonprofit leadership and management. It's an in-the-trenches management system for understanding and organizing your important mission.

617 Internet Marketing – This class helps you to know how to post and market on social media. It is a necessity for your business. A very topical and on time text, this book has information on all of the major areas of current electronic marketing.

618 God's Entrepreneur - The road to launching a successful business can be long and confusing. Where do you start? Should you rent office space or work out of your garage? Should you register as a for-profit or a nonprofit business? How should you handle legal issues that come up? What does it mean to be a "Christian" entrepreneur anyway? This class answers all of these questions and more.

619 Ethics and Economics- This course insightfully shows us in detail how ethics are inextricably intertwined with economic life and analysis. The course is concerned with Christian ethical perspective, exploring the moral challenges embedded in various macro-, micro- and international economic theories and outlining a faithful response to them.

Administrative Course Descriptions

951 The Historical Philosophy of Christian Education: This course covers the historical events and philosophical thought that shaped the practice of Christian education today. The class contains insights that reveal the underpinnings of issues relevant to current practices in Christian education and ministries. It also considers the future emphasis of history considering where we have been.

952 Alternative Christian School Design: What makes a Christian school great? Applying the concepts elaborated upon in Jim Collin' *Good to Great*, the author passionately makes the case for Christian schools to move from being merely "good" to becoming "great". Looking at selected schools comprehensively, *Learning from the Best* uncovers the keys to maturing and growing in educational excellence. 125 pages, softcover.

953 Educational Issues: Discover the Foundational Issues found in Christian Education! These include; Biblical, Theological, Philosophical, Historical, Sociological, Psychological, and Curricular. Each assisting the student in developing the values for their teaching ministry.

954 School Discipline: Theory and Practice: School administrators are charged with one of the most important tasks in education: the supervision of faculty. Yet this very aspect is one of the most neglected or sporadic elements of the job. Gordon Brown elaborates on clear principles, practical approaches and provides charts and forms to simple supervisory tasks. Written with for the end-goal of increased student learning, the principles given will help every school administrator serious about improving the quality of instruction within his or her school. An included CD-ROM includes all forms referenced in the book. 216 pages, softcover.

955 Administrative Leadership: This class teaches the principles needed to be a leader in the school setting. It is for those individuals that are either superintendents, principals, counselors, or department heads at a school or college. It is also an excellent course for those who are professors of educational leadership.

956 Curriculum Design and Analysis: This course is about exploring and presenting a model of digital-based curriculum for Christian education suitable for the digital ways of learning, communicating, and thinking. Park discusses the limitations of analog-based curricula, most of current curricula, and necessities for digital-oriented ones. Then, he provides a new model of curriculum--curriculum as software. Curriculum as software is a curricular framework for embracing digital culture like open-flat network, service-centered management, interactive communication, and offline-online hybrid learning space. It consists of four spiral stages: analysis, design, simulation, and service. In the process of

designing units, 4R Movement--a new learning theory--is utilized to encourage today's young people to construct their own knowledge after critically analyzing various resources of information. 4R-embedded courses are implemented in the four movements: reflection, reinterpretation, re-formation, and re-creation.

Graduate Designations, Grading, Degree Types

Summit Bible College Clarification Degree Types, Majors, or Emphasis: “Theology, Divinity, and Ministry” Titles and Degree Designations

- A “Theology” degree designates that the student will be majoring in one area in particular. For example, a theology degree with emphasis in Pastoral Studies or Counseling. With this comes the necessity of taking 50% or more of the course load at the Bachelor, Master or Doctoral level in that subject.
- If the student desires a degree with “Divinity” in the title, it is for Master and Doctoral students, only. This title indicates that the student will be taking a broader selection of classes. So, in this case at Summit Bible College, if you are a Master student with 10 classes required, then they would take 2 from each of the 5 categories: Counseling, Leadership or Coaching, Missions, Worship or Prayer, and Christian Studies or Theology.
- The “Ministry” title is a designation that the student will likely be working in a practical, specific area of ministry. The rules for the Theology major apply regarding the 50% rule. For example, a student at SBC can have a “Ministry” major program in Leadership or Counseling, as in the example above for Theology and a minimum half of their classes need to be in the major they are taking.

So, the student could achieve a Bachelor, Master or Doctorate degree in any of the 5 designated areas and even other specific areas such as Youth Ministry, Apologetics, or Christian Education. In these cases, SBC offers special “major” classes, and the student could be required to take at least one ministry experience course called a “practicum” for majors such as teacher education, counseling, or coaching. The practicum is only taken if a student does not have experience, in their major area of ministry. To accomplish this, they will intern with someone as a mentor in their hometown and journal their experiences for 12 weeks.

Does the Title Matter?

When you are serving the Lord, ministries are usually not as particular about the title of your degree. Titles may have a specific need for positions at colleges, denominational churches, chaplaincy or with Christian corporate employers. An example of needing the “title” would be that a college position at a Christian university may want you to have a Doctor of Theology in a specific area such as Apologetics, or a general knowledge and a degree in Divinity. It is up to the student to determine what possible employers require. Divinity degrees could be general because some educational institutions may want you to have a general knowledge, however, other institutions may want a specific comprehensive knowledge. Usually churches want a Pastoral position to be filled by someone with general knowledge but others may want you to be well versed in leadership. The student must determine their needs prior to enrolling. For a Ministry degree, a ministry usually wants you to have experience in “practical” ministry. Preferably in the area that they are hiring you.

Student Responsibility and Options

It is up to the student to consider the choice of the title of the degree (not SBC). They should plan ahead of time and notify Summit Bible College if they have a specific purpose in the title before their classes are 50% completed. If not, your selection of your classes will dictate the type of designation you will have, and if they are in the wrong area or major the student may be required to take more classes which would cost more money. The type of classes determines the major. For example, if 50% of the classes you choose are in Apologetics, it is a Theology degree. Other majors such as Leadership could be a theology degree for a Pastor or it could be a Ministry degree for someone who wants to work in a help organization.

Costs of Academic Programs --- Tuitions, Payment Plans and Book Fees (see Refund Policies, following)

Please read the following notes, carefully:

- All programs are priced as Tuition packages. Courses may be taken individually under rare circumstances.
- An additional late fee for grading of \$20 (for administration purposes) will be charged per each course if work is submitted past the quarter they were taken.
- New students may begin at any time, and there is an additional “grace period” for their first quarter. The grace period is equal to the time that they missed or for a full quarter if they begin more than 40% into the quarter.
- There is a 10% discount for paying the total tuition in advance.
- We credit up to 50% of our requirements for course credits for lower division programs, or if the student has more credit they may qualify for a concurrent program. Check with our counselors and be prepared to provide documentation.
- All books are ordered online through Amazon, Christianbooks.com or similar outlets as posted online at <https://www.summitbiblecollege.com/english-books> for English, <https://www.summitbiblecollege.com/copy-of-fall-books> for Pastors or Ministry Leader program, and <https://www.summitbiblecollege.com/spanish-books> for Spanish Books.

SBC TUITION REFUND POLICY Summit has financial and contractual arrangements with faculty, staff, vendors, etc., which are made every quarter of the school year. These obligations make it MANDATORY that we require families to commit financially *for their schooling* so that we can guarantee space and facilities for new students, each month. Although there could be several reasons for withdrawal, SBC does not allow for refunds other than the ones drawn in this document. (Beginning 10-1-12, past students who have paid unused tuitions will be allowed the grace periods listed below, limited as given.)

1. Each student who receives a letter of acceptance and pays their fees is agreeing to the contract of the letter, and it serves as a contract of enrollment, and is therefore responsible for the *full* tuition.
2. Down payments, application fees, library fees paid, and the like, are non-refundable. This is due to the tremendous time, energy, work in recruitment, advisement, placement, and bookkeeping.
3. No portion of the tuition shall be refunded for a student who is dismissed or withdraws for disciplinary reasons, including false statements on the application. Students not returning because of academic dismissal shall be reconsidered only after 6 months of departure, and will require a new payment plan without credit for former payments.
4. Tuition may be “paused” or temporarily discontinued without penalty if the student’s request is in writing to the Financial department by email, 10 days in advance of the next payment. All students are subject to changes in tuition, higher fees, or penalties, if applicable. If reinstatement is delayed, due to student not attending, the following applies:
 - a. If a student has been out more than **two consecutive quarters**, there is a \$100 reentry fee.
 - b. If it is **more than 2 quarters and less than 4 quarters** it is a \$200 reentry fee.
 - c. After **1 year or 4 quarters**, the student must repay the current (or prevailing) down payment for that program in addition to any tuition owed. This includes graduate students who have not completed the

Test Out.

5. Students who pay in full receive a 10% discount. Because of this special option, none of their tuition is refundable. In the case of transference of a contract, refund policies apply, as listed below.
6. Students who do not take classes consistently or have breaks in their attendance must pay any changes in tuition prices, unless their break has been pre-approved. Students must write a request for any extended absence giving the reason. However, any breaks in attendance more than 4 consecutive quarters will be reassessed regarding changes in tuition costs of the college.

Payments, Scholarships and Credit

We accept payment by credit card.

Go to: <https://www.summitbiblecollege.com/payment>

You may apply for Financial Aid by contacting the office and requesting and filling out the Financial Aid Qualification sheet to see if you qualify

Financial Aid: The SBC Financial Aid Program offers a discount on tuition for qualifying households.

Spouse Special Scholarship: All spouses of students receive free tuition for equal or less value for each paid program, however, all ‘free spouses’ must pay all other fees including the \$300 non-refundable registration fee. One of the two in the marriage must complete their program within one year of the main spouse’s last enrolled class to complete the program. If the ‘free’ tuition student enrolls in their last class, first, then the paying spouse must complete their program within one year of that date or further charges will be due. If both spouses complete their programs, any additional programs will be under the same rules—one paid program for each additional free tuition program. If you or your spouse require different classes or want duplicate books, there will be an additional charge for the extra book or books. The “free” spouse must pay other fees such as: the non-refundable registration fee, late work fee, graduation fee & transcripts fee (only charged after completion of program), and Test Out fee of \$250 (for grad students, only). Please see the schedule of fees in the catalog or at the web site.

This does not apply to any other offers. It does not apply to money raised by the college for the student through private donors, or monies paid by a State Department of Rehabilitation or the Veterans Administration. The Spouse's Special Scholarship Program may not always be offered. However, if a spouse begins it with a paying spouse, that free program will be honored until the completion of their degree if it is within one year after the first spouse enrolled in their last required class. SBC 'drop' rules apply to early withdrawals of either or both spouses. In the event that the paying student stops attendance to the college, the balance of the tuition that is due will become the responsibility of the free spouse and the payments on the tuition must be paid by the attending student.

California Department of Rehabilitation Funds

We are authorized by the State of California as a "vendor" for Rehabilitation. If you have a counselor with the Department of Rehabilitation, have them fill out an "authorization" for services form so that your education through Summit Bible College can be paid by the State. We are a private non-profit organization.

If you live in California, also check: <https://ca.db101.org/ca/situations/youthanddisability/education/program2d.htm>

If you live outside of California, please check with your State Rehabilitation Department and see if they offer Rehabilitation funds to Institutions of Higher Learning located outside of the state and what are their criteria of the Institution to be qualified to receive the funds. Contact Summit Bible College once you have received the information so that the college may contact your State Rehabilitation counselor.

If you would like to discuss setting up a scholarship fund for students of Summit Bible College or are interested in sponsoring a student please contact the college.
